

HOW TO UPLOAD DATA IN CRS CUSTOMER GATEWAY

Step 1 – Access the Customer Gateway - copy and paste link below

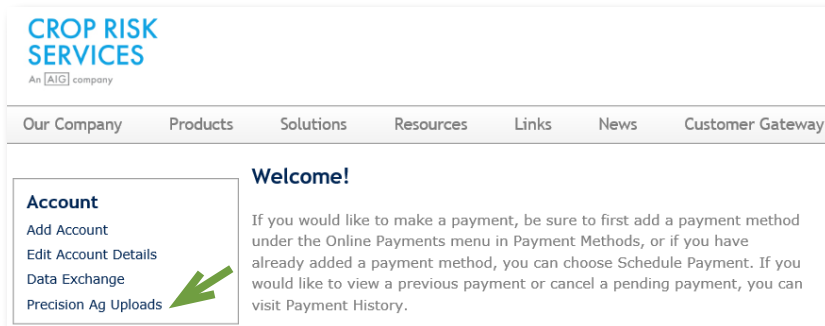

<https://cg.cropriskservices.com/CustomerGateway/Login?returnUrl=%2fcustomergateway>

Note: The agent MUST have the policy mapped, prepped and ready to send data to TruAcre as policy information and data will be sent directly to TruAcre at the completion of this process by the grower.

This will bring you to the log in screen. If an account has not already been created, you can create an account from this screen. The required information to create an account is shown to the right.

Step 2

Once an account has been created and logged into, you will find "Precision Ag Uploads" on the left-hand side under the "Account" box as shown below:
