

COVID-19 Guidelines & Precautions

TruAcre staff is taking the following precautions to protect our clients, our team and their families from the spread of COVID-19.

Please keep in mind, we visit multiple farmers each day, so we must be extra cautious!

————— ***Below are the precautions we are taking:*** —————

- 1. Maintaining the suggested 6-foot social distance space at all times on your farm.*
- 2. Bypassing handshakes or any physical form of greeting.*
- 3. Our technicians will wear a mask while you are present with them inside the cab.*
- 4. Our technicians will disinfect your equipment upon exiting, to the best of our ability.*
- 5. Our technicians are washing/disinfecting their hands before and after all client visits.*

If you have any questions or concerns regarding our response to COVID-19, please call us
